12 and under camp is designed to give beginning players a foundation of good skills that they can use as a base to becoming a better player as they get older. Coaches will be able to take more advanced players and give them additional instruction.

14 and under camp is designed to advance the play of club players and give them a boost heading into summer year end tournaments or a head start on preparing for their fall seasons as an 8th grader or high school freshmen.

15 and 16 camp is designed to further advance the play of club players heading into summer tournaments or the July College Camp season. Players who have aspirations of playing in college will particularly benefit from the advanced skills being taught at this camp.

Campers can attend either or both sessions each day. Each session is structured differently to provide opportunities for those as they advance with their skills.

Cost: \$95 for three (3) morning sessions
\$85 for three (3) afternoon sessions
